

Sight Word Practice Ideas:

Flashcards - parent shows flashcard, student reads

I Spy - parent lays out a few word cards and asks students to find a word (ie. I Spy the word "have")

Write the Room - hang up word cards or post-it notes and student goes around to read and write the words they find

Paint the Words - use a paint brush and cup of water and write the words on the driveway/sidewalk

Chalk the Words - use sidewalk chalk to practice writing and reading the words

Play-doh Words - create the word with play-doh

Lego words - create the words using Legos
